Amendment to Claims

Please cancel claims 7-31 without prejudice.

REMARKS

Applicants would like to thank the Examiner for granting the interview on May 9, 2002. Applicants concur with the Examiner's summary of the interview.

Applicants have cancelled the rejected claims so that this application may issue. Applicants are also filing a divisional application to continue the prosecution of claim 7-31 and of additional claims. The divisional is being filed prior to payment of the issue fee for this application. Thus, Applicants note that the cancellation of claim 7-31 does not create a prosecution history estoppel and does not limit the scope of any claim.
